3	1 pgs ORDER: The court, on its own motion, orders these appeals are CONSOLIDATED for purposes of briefing and disposition. The briefing schedule is as follows: The appellants shall file briefs and required short appendices on or before January 21, 2024. The appellees shall file a consolidated brief on or before February 20, 2025. The appellants shall file reply briefs, if any, on or before March 13, 2025. A review of the short records reveals that these appeals involve more than one appellant represented by different counsel. Counsel for appellants are encouraged to avoid unnecessary duplication by filing a joint brief or a joint appendix or by adopting parts of a co-appellant's brief. Duplicative briefing will be stricken and may result in disciplinary sanctions against counsel. See United States v. Torres, 170 F.3d 749 (7th Cir. 1999); United States v. Ashman, 964 F.2d 596 (7th Cir. 1992). Appellants, however, may not adopt the "Jurisdictional Statement" of another. Each appellant's brief must include a complete "Jurisdictional Statement."
