In Loving Memory of Nolan Xavier Wells

Our hearts are broken beyond words.

Nolan Xavier Wells was a beloved son, grandson, brother, friend and teammate whose life touched so many people. His smile, kind heart, and love for others left a lasting impact on everyone who knew him.

After an extensive search involving countless volunteers from the United Cajun Navy, first responders, local law enforcement, the United States Coast Guard, and organizations from across the region, our worst fears became reality.

While no words can ease the pain of this unimaginable loss, we are deeply grateful for every person who searched, prayed, shared his story, and stood beside our family during these difficult days.

As we begin the painful journey of laying Nolan to rest, we are asking for help to ease the financial burden placed on our family. Funds raised will be used for funeral and memorial expenses, celebration of life services, and any additional costs associated with honoring Nolan's memory. We will also use these funds to investigate what happened to Nolan and

how he died, to pursue legal and just consequences for Nolan's death and to fight for transparency and justice in our pursuit for the truth. Any remaining funds will help the family treat and manage the mental and emotional anguish associated with Nolan's disappearance, his death and all the unanswered questions and mystery surrounding his death.

If you are unable to donate, we ask that you continue to pray for our family and share this fundraiser. Your kindness, compassion, and support mean more than words can express. All money raised goes directly to the family.

Thank you for standing with us, for loving Nolan, and for helping us honor a life that ended far too soon.

Forever loved. Forever remembered. Never Forgotten.

C **Christine Wonsley**
